

## **Jeffrey Rhodes Joins CSG Government Solutions' Unemployment Insurance Practice**

Chicago, Illinois – April 14, 2010

CSG Government Solutions, a national leader in providing public sector strategy, quality management and systems modernization services, today announced that Jeffrey Rhodes has joined CSG as a Principal in the firm's Unemployment Insurance practice.

After starting his career in state government, Mr. Rhodes transitioned to designing and building public sector enterprise information systems and is a recognized expert in Unemployment Insurance systems modernization. "Jeff has wide experience in all aspects of UI modernization," says Tim Lenning, Executive Vice-President of CSG Government Solutions. "He has worked on systems in nine states, leading project teams in feasibility analysis, project planning, requirements definition, system design and implementation, testing, and training. His depth and breadth of experience brings tremendous value to CSG's clients."

CSG Government Solutions continues to increase its presence across the United States. The company deploys highly experienced teams and innovative proprietary methodologies to help governments modernize their most complex program enterprises. Its clients include the state governments of Arizona, Arkansas, Georgia, Illinois, Indiana, Iowa, Massachusetts, Michigan, New Jersey, New Mexico, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, South Carolina, Tennessee, and Vermont; the U.S. Department of Health and Human Services; and large municipal governments.
