

Andrea Danes of CSG Government Solutions Receives Distinguished Service Award from the Workgroup for Electronic Data Interchange

Washington D.C. – November 2, 2009 – The Workgroup for Electronic Data Interchange (WEDI) has announced the recipients for its 2009 Awards Program. This program identifies and recognizes individuals and organizations in the healthcare industry whose achievements have contributed significantly to the advancement of WEDI's mission and/or the overall improvement of specific aspects of the healthcare industry. The awards will be presented during WEDI's Annual Member Meeting on November 17th in Baltimore, MD as part of the WEDI Fall Conference.

Andrea Danes, Senior Principal of CSG Government Solutions, is a recipient of the Distinguished Service Award. This award recognizes individuals who have provided significant leadership to the fulfillment of the mission, objectives, programs and overall volunteer activities of WEDI and/or WEDI SNIP through participation in committees, workgroups, Policy Advisory Groups, Board of Directors, etc.

"We are committed to supporting WEDI's mission through the application of information technology to improve the quality, affordability and availability of healthcare," says Tim Lenning, Executive Vice-President of CSG Government Solutions. "Andrea's involvement and contribution to WEDI and other groups addressing these issues demonstrates that commitment."

About The Workgroup for Electronic Data Interchange (WEDI)

WEDI's mission is to provide multi-stakeholder leadership and guidance to the healthcare industry on how to use and leverage the industry's collective knowledge, expertise and information resources to improve the quality, affordability and availability of healthcare. WEDI's membership includes providers, health plans, consumers, vendors, government organizations, and standards groups committed to the implementation of electronic commerce in healthcare and EDI standards for the healthcare industry. Regulatory officials from the Centers for Medicare & Medicaid Services, Health and Human Services, Office of Civil Rights and other government entities attend and participate in WEDI forums to benefit from the alternative approaches and consensus-based recommendations generated by the industry representatives. WEDI provides a broad-based interactive forum for healthcare executives, managers and advisors to utilize in addressing the business issues and policy formulation critical to their industry.
