

## **Harold “Sonny” Munter Joins CSG Government Solutions’ Healthcare Practice**

Chicago, Illinois - March 31, 2010

CSG Government Solutions, a national leader in providing public sector strategy, quality management and systems modernization services, today announced that Harold “Sonny” Munter, former Chief Information Officer of the Georgia Department of Community Health, has joined CSG as a Principal in the firm’s Healthcare Practice.

Mr. Munter has an outstanding record of achievement developing, managing and reorganizing Information Technology departments, delivering innovative business solutions, and transitioning business and technical operations. “Sonny is a strong leader and brings superb analytic and communication skills to CSG,” says Tim Lenning, Executive Vice-President of CSG Government Solutions. “Sonny’s experience successfully managing large public sector IT budgets will be extremely valuable to state agencies tasked with overhauling their health information technology infrastructure.”

CSG Government Solutions continues to increase its presence across the United States. The company deploys highly experienced teams and innovative proprietary methodologies to help governments modernize their most complex program enterprises. Its clients include the state governments of Arizona, Arkansas, Georgia, Illinois, Indiana, Iowa, Massachusetts, Michigan, New Jersey, New Mexico, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, South Carolina, Tennessee, and Vermont; the U.S. Department of Health and Human Services; and large municipal governments.
